

Day 3: Welcome & Instructions

Bismillah

As'salaamu alaykum

Well, we are in Day 3 of our 10 Day Challenge for Dhul-Hijjah - challenging ourselves to super-charge our emaan insha'Allah.

Are you keeping up with the challenge?

What positive changes have you already seen in your life?

Remember to email me with your 'Reflection Homework'.

This challenge is not meant to be done alone - but with your friends and family and moreover i'm right here - your coach and mentor for this challenge.

I'm in this challenge with you - It's a challenge to prepare these challenges for you and at the same time apply them and keep on top of other things lol.

I have to walk my talk right? I'm doing just that insha'Allah. So please don't feel shy to connect with me and email me with your 'Feedback Homework'. This is your opportunity and this challenge is what you wanted and it is what Allah sent your way.

I'm also over at Facebook, Twitter, Pinterest, LinkedIn - yeah, I'm pretty much everywhere on social media lol - so come connect with me OK and email me your feedback - I do reply! 😊

I truly pray from the depths of my heart and soul that you are benefiting from this challenge.

Ok so go to today's lesson for **Day 3 Challenge - Dhikr/Tasbee.**
