Bismillah

As'salaamu alaykum

Wow, we are already in Day 8!

Subhan'Allah, really where does the time fly?

Today's Challenge is all about Allah - Our Creator and we will start to bring all the challenges together now.

Exciting!

I mean, after all, who are we doing all this for and what is our ultimate purpose?

I do pray and hope that you are already feeling an emaan boost as well as a closeness to Allah (swt) - our Rabb.

Do you want me to mentor and coach you through your personal and spiritual development?

I have a few seats open for either a 6 week (intensive), 3 month and 6 month private coaching.

Email me so we can discuss what areas you want to work on and which package is best for you insha'Allah.

So let's get tuck into today's challenge insha'Allah.

This is a good challenge to get back into your 'Spiritual Retreat' zone (Day 1 Challenge) and do grab your journal :)

It is Day 8 Challenge - Our Creator.
